- Sept/2000-2006** Chairman of the Department of Anatomy and Histology Faculty of Medicine-University of Jordan.
- Sept/2006-present** Professor, Department of Anatomy and Histology Faculty of Medicine-University of Jordan.

SPECIAL FIELDS:

Neuro-Anatomy and Neuro-Biology.

PROFESSIONAL SOCIETIES:

- Jordan Medical Association.
- British Association of Neuro Anatomist.
- Egyptian Anatomical Society.

PROFESSIONAL ACTIVITIES AND AWARDS

- 1- University of Jordan Scholarship, scientific and research visit to Sheffield University-Department of Anatomy and Cell Biology, Sheffield-U.K July-Sept/1987.
- 2- Refereed articles for the twenty sixth Arab Medical Congress and seventh Jordanian Medical Congress 1990.
- 3- Head of the Department of Anatomy and Histology Faculty of Medicine-University of Jordan 1992-1993.
- 4- The Prize of the Seventeenth Annual Scientific Conference of the Egyptian Anatomical Society for the best presented paper
 - ◆ The paper published in the Egyptian Journal of Anatomy direct by the Egyptian anatomical society.
 - ◆ Certificate of Merit.
 - ◆ Two official letters sent from the president of the conference to the President of University of Jordan and to the Dean of Faculty of Medicine for my distinguished paper 7.4.1994.
- 5- Qatar University Scholarship, Scientific and Research visit to Egyptian Universities-Faculty of Medicine-Anatomy Department to exchange the ideas and experience on the electron microscope and how to take electron micrographs for the Helicobacter pylori organism in peptic ulcer patients July-Sept 1996.

- 6- Certificate of Merit from the Twentieth Annual Scientific Conference of the Egyptian Anatomical Society for the distinguished paper presented 12.12.1996.
- 7- Observer in the FRCSI section A examination at the University of Jordan 1999 which conducted by the Royal College of Surgeons of Ireland.
- 8- Member of the Examination committee for two Master thesis students, Faculty of Science-University of Jordan 1999.
- 9- Visitor professor / AL-Quds university-faculty of Medicine/Jerusalem 25/6-15/8/2000.
- 10- Member in the Jordanian medical council for part I exam in general surgery from september 2000 - 2005 .
- 11- Member in the editorial board of Dirasat – University of Jordan represent faculty of medicine in the board 2002-2007.
- 12- External examiner in the panel of external examiners for M.phil/ Ph.D anatomy students / university of health sciences – Lahore, Pakistan 2007-2016.
- 13- Member in the evaluation of medical certificate committee in the ministry of high education 2009-2010.
- 14- Member in the university council-university of Jordan represent faculty of medicine 2009-2010.
- 15- External referee for the evaluation of papers for promotion to professor and associate professor degree.
- 16- member in the faculty council – university of Jordan 2010-2011.
- 17- member in the apointment and promotion committee in the faculty of medicine –university of Jordan 2011-2012.
- 18-Reviewer for the proceeding of SZMC (SHAIKH ZAYED MEDICAL COMPLEX) medical and dental college . Lahore

ATTENDANCE & PARTICIPATION OF WORKSHOPS & COURSES

- 1- Workshop on “A methods in medical research and use of Biostatistics” University of Jordan in collaboration with JOHNS HOPKINS medical institutions 28th March-6th April, 1988.
- 2- “Curriculum design and development 15 hours training course” 23.1.1993-27.1.1993 University of Jordan.
- 3- “Computer course 48 hours” University of Jordan 12/3-13/4/1988.
- 4- Workshop on “Towards more active University Education” University of Qatar 8-24/12/1994.
- 5- Workshop on “ How to use the electron microscopes” University of Qatar 17-23/3/1995.
- 6- Workshop on “Emergency Trauma Care” continuing education activity sponsored by Allegheny General Hospital in collaboration with Hamad Medical Corporation. February 17-20/1997.

- 7- Workshop on “Applications of Biotechnology in Medicine”
University of Qatar-Dec 6-13, 1997.
- 8- Workshop on "expanding horizons in problem based learning in Medicine
16-27 June 2003, Maastricht university, Faculty of Medicine, Netherland.

PROFESSIONAL TEACHING

1. Gross Anatomy and Histology for
 - **Medical students**
 - **Dental students**
 - **Pharmacy students**
 - **Nursing students**
 - **Bio-Medical students**
2. Gross Anatomy and Histology (demonstration) for Medical and dental students in Sheffield University-Faculty of Medicine.
3. Advanced course of Anatomy and Physiology of Speech, The Master Degree students of Speech Pathology, Department of Speech Pathology, Center for Phonetics Research.
4. Embryology and Neuroanatomy for
 - **Medical students**
 - **Dental students**
 - **Pharmacy students**
 - **Bio-Medical students.**
5. Advanced courses in Clinical Anatomy and Applied Anatomy for F.R.C.S. Candidates (F.R.C.S. courses).
6. Special lectures in my field (the vagus nerve in relation to stomach diseases) postgraduate doctors and medical staff.
