

## DEVP 297: GLOBAL HEALTH AND CONFLICT IN THE MIDDLE EAST AND NORTH AFRICA

Interested in a hands on and interactive course facilitated through UC Berkeley? This project- and case-based virtual course will offer students the unique opportunity to learn about issues surrounding global health and conflict in the Middle East and North Africa while engaging in meaningful cross-cultural exchange.

**Participants who successfully fulfill the requirements of the course will receive a certificate of completion. No affiliation with UC Berkeley required.**

Instruction begins August 28th-December 13th.

Deadline for sign up: August 20, 2019
