CURRENT POST

Assistant Professor, faculty of medicine, University of Jordan.

Consultant Histopathologist, Jordan University Hospital.

PREVIOUS POSTS

1. Internship at Al Bashir Hospital 1996-1997. I rotated in the departments of medicine, surgery, paediatrics and gynaecology.
2. Resident in Histopathology, Jordan University Hospital. 1997-1998.
3. Resident in Histopathology, Al Bashir Hospital, 1998- 2000. During this period I passed the first part of the Jordanian Board and left the job to complete my training in the UK.
4. Senior house Officer in Histopathology, Hope Hospital, UK.2001-2002.
This is the first year of training in the UK during which I was introduced to the UK system and participated in all aspects of histology and cytology reporting.
5. Specialist registrar in Histopathology, North West region, UK, 2002-2006.
I rotated in the main hospitals in the region and reported histopatholgy cases in all the specialities including neuropathology, skin pathology and soft tissue tumours.
6. Consultant Histopathologist, Tameside Hospital NHS Foundation Trust, UK, 2007 -2014.
