

**Dr Noor Almaani**  
**Assistant Professor of Dermatology**

**Qualifications**

<b>CCT (UK)</b>	Certificate of Completion of Dermatology Training
<b>MD (Research)</b>	King's College- London
<b>MRCP (Dermatology)</b>	Royal College of Physicians- UK
<b>DebRA fellowship</b>	The Dystrophic Epidermolysis Bullosa Research Association Fellowship- London
<b>MRCP (Medicine)</b>	Royal College of Physicians- UK
<b>Jordanian Board</b>	Jordan Medical Council
<b>MBBS</b>	Faculty of Medicine, University of Jordan

**Awards/Distinctions**

**The British Association of Dermatology Travel Award- AAD 2015**  
**The Euroderm Excellence Travel Award, Rome Nov. 2013**  
**Lead Dermatology Registrar, St John's Institute of Dermatology 2012-2013**  
**The British Association of Dermatology Travel Award BSID Apr.2010**  
**The British Society for Investigative Dermatology Travel Award, 2009**  
**The St. John's Dermatological Society Registrar Prize 2008**  
**The Michael Bestow Audit Prize Queen Elizabeth Hospital 2003**

**Current Employment**

*September 2015- Current*  
*Assistant Professor Of Dermatology*  
*Head Of The Dermatology Department*  
*Jordan University Hospital*  
*Amman, Jordan*

**Previous Employment**

*Consultant Dermatologist*  
*The Private Clinic*  
*Harley Street, London*

*Consultant Dermatologist*  
*King Edward VII Hospital, Windsor*

*Honorary Consultant Dermatologist*  
*St John's Institute of Dermatology*  
*Guy's and St. Thomas' NHS Foundation Trust*

Specialist Registrar in Dermatology  
St. John's Institute of Dermatology  
Guy's and St. Thomas' NHS Foundation Trust  
Lewisham Hospital NHS Trust  
South Thames Dermatology Training Rotation

Dermatology Clinical Research Fellow\ MD (research)  
Dystrophic Epidermolysis Bullosa Research Association (DebRA) fellowship  
Genetic Skin Disease Group, Department of Genetics and Molecular Medicine  
King's College London & St. John's Institute of Dermatology  
MD Project: Refining the genotype-phenotype correlation in epidermolysis bullosa.

I had presentations at numerous international meetings including:

St. John's Dermatological Society Meeting, London  
The Royal Society of Medicine Dermatology Meeting, London  
The American Academy of Dermatology Meeting  
The British Society of Paediatric Dermatology Meeting  
The British Society of Investigative Dermatology Annual Meeting  
The Society for Investigative Dermatology Meeting  
The British Association of Dermatology Annual Meeting  
The British Society for the Study of Vulval Disease Meeting

I have also taught on numerous dermatology courses and was a tutor on the Clinical Dermatology MSc Course, King's College London, as well as, internal examiner in the Objective Structured Clinical Examinations (OSCE), Part of the MBBS program at Guy's, King's and St Thomas' School of Medicine.
