

Abdalla S. S. Awidi
CURRICULUM VITAE
October. 2015

PERSONAL DATA

Place of Birth: Wadi Sir, Amman – Jordan
Nationality : Jordanian
Languages : Arabic, English, Spanish
Address : P.O. Box 9240
(Permanent) Amman (11191), Jordan
Tel. # (Office): 962-6-5355000 ext. 23453
Fax #: 962-6-5300820
E-Mail Address: ctc-ceo@ju.edu.jo
abdalla.awidi@gmail.com

UNIVERSITY EDUCATION

Valencia School of Medicine, Spain, 1967 – 1973

CERTIFICATION

Diploma in Medicine and Surgery – Valencia, Spain – July 1973
M.R.C.P. (U.K.) – July, 1977
Medical Education Diploma, W.H.O. – November, 1980
FRCP (ED), July 1987
FRCP (GLAS), August, 1987
FRCP (LOND), April, 1992
FRCPPath, August.2015

AWARDS

- Jordan Sate Appreciation Award, Nov, 2014 for achievement in the field of Hematology and Oncology research and patient care
- The best scientific published research award from the fund for scientific research of the MHE, 2012
- Pioneer in hematology in Jordan, Jordanian Medical association, June 2012
- Numerous professional awards from the Jordanian Medical association and public hospitals
- Distinguished scientific research award from University of Jordan-2009.
- Exceptional promotion to the position of Professor by the University of Jordan for distinguished academic performance – 1988.
- Jordanian Medical Association Award for distinguished medical accomplishments – July, 1987

- A.H. Shuman for Young Arab Scientists – March, 1986

CURRENT POSITION

- Founder, President and Director Of Cell Therapy Center (CTC), University of Jordan from 2008 - present
- The president of the board of trustees of the Jordan University for Science and Technology (JUST)2011-2014
- Professor of medicine, Hematology& Oncology
Jordan University, Amman, Jordan
- Chief and senior consultant of Hematology & Oncology
Jordan University Hospital, Amman, Jordan, 2001 until now.

Dec 2001-untill now

ACADEMIC AND ADMINISTRATIVE POSITIONS

President, Balqa Applied University, Salt, Jordan
Sept 2001-Dec 2001

Medical Director, Hamad Medical Corporation – Doha, Qatar
March 1998 – July 2001

Professor of Medicine, Hematology & Oncology (Part Time) – Jordan University 1995 – 1998

Consultant in Hematology and Oncology, Private Practice “part time”,
Summer 1996 – 1998.

President of the Applied Science University (private) - Amman, Jordan
October 1994 till June 1995.

Medical Director, Hamad Medical Corporation – Doha, Qatar
August 1990 – November 1992.

Professor of Medicine and Hematology & Oncology – Jordan University
April 1998 – September 1993.

Chairman, Department of Internal Medicine – Jordan University
July 1985 – August 1990.

Head of Bone Marrow Transplantation Team (JUH)
April 1987 – August 1990. 2001-until now.

Associate Professor of Medicine – Jordan University
February 1984 – April 1988.

Assistant Professor of Medicine – Jordan University
January 1980 – February 1984.

Consultant Physician and Clinical Hematologist&Oncologist – Jordan University Hospital, Jordan University, January 1980 – August 1990.

MEMBERSHIPS AND COMMITTEES

- Member of the Internal Medicine Society, Jordan
- Member of the Cancer Society, Jordan
- Member of the National Task Force for the establishment of the National Cancer Center in Jordan – 1983 - 1998.
- Head of the Drug Committee, Jordan University Hospital, 1984 – 1990.
- Director of Residency Program in Medicine, National Medical Institution, January 1989 – 1990.
- Chairman of Internship Committee, Jordan University Hospital, 1986 – 1989.
- Member & Examiner, the Arab Board of Internal Medicine, 1985 – 1992.
- Referee A.H. Shuman Award for Young Arab Scientist, 1991 & 2014
- Member of the Board of Trustees, Applied Science University(private), 1993 – June 1995.

Clinical Trials Experience:

Has participated in multi-centre trial in the studies of imipene, and aztreonam in late eighties.

Familiar with GCP and GCP WHO hand book

Principal Investigator in a kinetic study comparing GCSF(neupogen) with a generic GCSF (leukostin)/ 2006 (not published)

Has participated as PI in several phase I, II and III trials.

ABSTRACTS

1. REBELLINO E, AWIDI AS, et al. Human Marrow Megakaryocytes Synthesize platelet Glycoprotein Iib, IIIa and Thrombospondine. Federation of American Society of Experimental Biology (FASEB) proceedings 1985, 44, 1124, Abs 4182.
2. KARADESHEH NS, AWIDI AS, TRAWNEH MS. Two new Glucose 6-Phosphate Dehydrogenase (G6PD) variants associated with hemolytic anemia G6PD Amman 1 and G6PD Amman 2 FASEB proceedings 1985, 44, Abs, 1592.
3. AL KHATEEB MS, AWIDI AS, TARAWNEH MS, MADANAT F. Hepatitis B Virus markers and HTLV-III antibodies in patients with bleeding disorders in Jordan, Fourth International Congress of Infectious and Parasitic Diseases, 1986, Abs. 166.
4. SHAHEEN O, AWIDI AS, et al. Therapeutic Drug Monitoring of Antiepileptics in Jordanian Patients. Third World Conference on Clinical Pharmacology and Therapeutics, Stockholm, July, 1986.
