Please note that sections lectures timing will be different on the 4th and 7th weeks where students will attend on Tuesday instead of Wednesday during these weeks. For the practical sessions' timing, Dr. Heyam Awad will supply you with them.

Also please note that this schedule might change when the genitourinary system come to the picture, so keep updated through the school's website for further announcements.

Thanks for your cooperation
 Dr. Nafez Abu Tarboush
 Vice Dean for students and examinations
