S = section. Gen = genetics. Epi = epidemiology

Practical sessions are noted on the schedule from 2 – 4 pm. More practical sessions maybe introduced to the schedule upon need.

Please register for Genetics; and the rest of the schedule will be registered for you.

Those who are in need to register for university requirements, they may choose requirements from 2-3:30 Monday and Wednesday and accordingly to register in sections 2 or 3 only. Please do not register requirements outside of the above noted time since there will be no accommodation of your situation if more practical sessions are needed.

Thanks for your cooperation
