

Curriculum Vitae

Prof. Kamel Ajlouni

**M.D. Dr. med (anatomy) DRL(hc)Dr. Medical sciences (hc) FACP,
FACE,FRCP**

Date of Birth : 1st of March 1943
Place of Birth : Sarih, Jordan
Marital Status : Married
Wife's Name : Amal
Children : 4

Sachir - 1969
Leith - 1973
Heitham - 1974
Heba - 1979

Languages : Arabic, English, German

Education:

Jordan

- Rashidiah College, Jerusalem, Palestine June 1955 - May 1958
- Hussein College, Amman, Jordan June 1958 - May 1960

West Germany

- Studien Kollege (General Science), University of Heidelberg, West Germany, 1st May 1961 - 30th April 1962
- Medical School, University of Heidelberg, 1st May 1962 - 11th December 1967 Date of Graduation (State Examination), 11th December 1967 (Magna Cum Laude)
Doctor of Medicine,Anatomy University of Heidelberg, 16th February 1968 (Cum Laude).

Professional training :

West Germany

- Rotating Internship, University of Heidelberg, Stuttgart City Hospital
1st January 1968 - 31st December 1968

- Internal Medicine Residency, St. Ursula Hospital, Boppord, Rhein 1st January 1969 - 31st October 1969.

U. S. A.

- Straight Internship, Medicine, Mercy Hospital, Buffalo, New York November 1969 - 31st December 1970.
- Residency, Medicine, Mercy Hospital, Buffalo, New York 1st January 1971 - 31st December 1971.
- Residency, Medicine, The Medical College of Wisconsin, Milwaukee 1st January 1972 - 31st December 1972.
- Chief Medical Resident, Medical College of Wisconsin, Milwaukee 1972 - 1973.
- Fellowship, Endocrine, The Medical College of Wisconsin, Milwaukee 1st July 1973 – 30th June 1975.

Others:

- Licenses to work in Jordan and in all Arab countries reciprocal.
- USA: license to practice Medicine and Surgery. Wisconsin 1978.

Awards :

- German Academic Exchange Service (DAAD) Scholarships for four consecutive years (1964, 1965, 1966, and 1967).
- Abdul-Hameed Shouman Prize for Young Arab Researchers (1983) .
- The Order of Independence (First Class).
- The Order of Education (Excellent Class).
- Sieglar American Institute Prize for Diabetes Research (2002).
- State Appreciation Award for Pure and Applied Sciences (2002).
- University of Jordan Award for the Best Researcher in the Medical Field (2006)
- The State of Kuwait Prize for Combating Cancer, Heart and Diabetes Diseases in the Mediterranean Region (2006) in honor of his contribution in the field of diabetes research.

- Harvesting Excellence Award of the University of Jordan ٢٠٠٧
- Award the Ministry of Higher Education and Scientific Research of the distinguished researcher in the area of medical and pharmaceutical sciences 2007
- Hussein accolade in outstanding tender / first class 2007
- International Clinician Award from the American College of Endocrinology 2008
- The United Arab Emirates Health Foundation Prize 2010.
- Sheikh Hamdan Bin Rashid Al Maktoum Award for Medical Sciences 2010
- Abdul Hameed Shoman Forum Prize 2011
- Gold Medal of the Jordanian Red Crescent, "which is the highest decoration granted by the National Assembly of the Jordanian Red Crescent 2013
- The Socrates award in science and research field. Oxford. UK 2013

Others:

- Special recognition from The Marquis Who's Who publications Board 1983/1984.
- International scientist of the year 2002. England.

Medals:

- The Independent Medal of first class
- The Education Medal , Excellent Grade
- King Hussein Medal for the excellence of performance 2007

Qualifications :

- M.D., 1967 Doctor der Medizin (Anatomy)

- ECFMG 112 - 470 - 0, 12th February 1969
- FLEX, 11th June 1974
- American Board of Internal Medicine, 19th June 1974.
- Fellowship of the American College of Physicians, 1975.
- Fellowship of the American College of Endocrinology 2002
- Fellow of the Royal College of physicians (UK).
- The distinguished International Clinician Award 2008
(Elected November 2007 by the American college of Endocrinology)
- The degree of Honorary Doctorate in “*Medical Sciences*” from Jordan University of Science and Technology on 24th February 2014.

Memberships :

1. American Diabetes Association
2. American Federation for Clinical Research
3. Fellow, American College of Physicians
4. American Endocrine Association
5. . British Endocrine society
6. British Diabetes Society
7. EASD European group for the Student Diabetes
8. Jordan Society of Internal Medicine
9. Arab association for Advancement of Medical Sciences.
10. New York Academy of Science.
11. American Society for Bone and Mineral Research.
12. Jordan Medical Association.
13. Member of Jordan Medical Licencing Board

Academic Career

1. Clinical Instructor of Medicine, Medical College of Wisconsin, 1972 - 1973.
2. Clinical Instructor of Medicine + Endocrinology, Medical College of Wisconsin, July 1973 - 1975.

3. Appointed Assistant Professor, January, 1975, Medical College of Wisconsin, Starting 75 /76 .
4. Assistant Professor of Medicine, University of Jordan, Sept.1975 - 1979
5. Associate Professor of Medicine, 1979 – 1983
6. Associate Professor Physiology, 1979 (Joint appointment)
7. Professor of Medicine - Endocrinology, 1983

Public Offices :

1. Minister of Health of Jordan 11.1.1984 -6.4.1985.
2. President of the Jordan Medical Council 1984 & 1985.
3. President of the Jordan University of Science and Technology, 1986 - 1995
4. Member of the Royal Committee for the establishment of Al-Hashemiah University.
5. Member of the Royal Committee for the establishment of Al- Albyet University.
6. Member of the Highest Board for Science and Technology .
7. President of Association of Arab Universities, April 1993 - April 1994 .
8. Member of the Council for Higher Education (1986-1996)
9. Member of the Council for Education ((1996-Present)
10. President of National Center for Diabetes Endocrine & Genetic Diseases (1996-Present)
11. Vice president of the Council for Higher Education (2010)
12. chairman of the Board of Trustees at University of Jordan (5th Oct 2010 - 22nd Aug 2011)
13. Member of the Jordanian Senate (1997 and in 2007)
