

Malik Sallam

Experience

Academic

November 2017–present

Consultant Physician • Laboratory Medicine • Jordan University Hospital

November 2022–present

Associate Professor • Laboratory Medicine/Microbiology and Immunology, at the Department of Pathology, Microbiology and Forensic Medicine • Faculty of Medicine, University of Jordan

November 2017–2022

Assistant Professor • Laboratory Medicine/Microbiology and Immunology, at the Department of Pathology, Microbiology and Forensic Medicine • Faculty of Medicine, University of Jordan

September 2017–present

Visiting Research Fellow • Patrik Medstrand Clinical Virology Laboratory • Faculty of Medicine, Lund University

November 2017–present

Academic Supervisor for residents in Clinical Pathology (Microbiology & Immunology) • Jordan University Hospital

November 2017–present

Academic Supervisor for MSc students • Medical Laboratory Science • School of Medicine, University of Jordan

November 2017–present

Academic and research supervisor for medical students • School of Medicine, University of Jordan

November 2017–present

Academic and research supervisor for dental students • School of Dentistry, University of Jordan

December 2019

Examiner for Master thesis • Faculty of Medicine, University of Jordan

*Jordan University Hospital, Outpatient Clinics/Third floor

* School of Medicine, University of Jordan

+962-79-184-5186

Administrative

April 2019–present

Medical Head of the Molecular Diagnostics Laboratory • Jordan University Hospital • Amman, Jordan

April 2019–present

Medical Head of the Clinical Chemistry Laboratory • Jordan University Hospital • Amman, Jordan

April 2019–present

Medical Head of the Endocrinology Laboratory • Jordan University Hospital • Amman, Jordan

April 2019–present

Medical Head of the Cytogenetics Laboratory • Jordan University Hospital • Amman, Jordan

December 2017–October 2018

Program director (joint) of the master degree (MSc) in Medical Laboratory Sciences • Department of Pathology, Microbiology and Forensic Medicine • Faculty of Medicine, University of Jordan

November 2017–February 2019

Medical Head of the Microbiology and paracytology Laboratory • Jordan University Hospital • Amman, Jordan

November 2017–February 2019

Medical Head of the Immunology and Serology Laboratory • Jordan University Hospital • Amman, Jordan

December 2017–October 2018

Program director of the Higher Specialization residency program in Clinical Laboratory/ Microbiology and Immunology Medical Laboratory Sciences • Department of Pathology, Microbiology and Forensic Medicine • University of Jordan and Jordan University Hospital

Education

School of Medicine, University of Jordan, Amman, Jordan

- Bachelor of Medicine, Bachelor of Surgery- [2001-2007]

Ministry of Health, Prince Hamza and Al-Basheer Hospitals, Amman, Jordan

- Intern Doctor- [July 2007-June 2008]

Jordan University Hospital, Department of Clinical Laboratories

- Resident Doctor- [July 2008- June 2012]

Jordan Medical Council

M. Sallam

- Jordanian Board in Clinical Pathology/Microbiology and Immunology - [2012]

Jordan University Hospital, Laboratory Medicine/Microbiology and Immunology

- Specialist Physician- [September 2012- October 2013]

University of Jordan, Faculty of Medicine, Department of Pathology, Microbiology and Forensic Medicine

- Research and Teaching Assistant- [March 2013- October 2013]

Faculty of Medicine, Lund University, Lund, Sweden, Department of Translational Medicine

- PhD Candidate in Clinical Virology- [December 2013- September 2017]

Conferences, Courses and Workshops

- Attendance of ESCV VIRTUAL SPRING WORKSHOP entitled “SARS-CoV-2 infection – laboratory response to pandemic”. June 22, 2021.
- Attendance of "ME'NA-ISN webinar entitled 'Influenza in health care workers and the role of vaccination’”, held online on 10 June 2021.
- Participation as one of the course coordinators in ESCMID postgraduate educational course entitled “Translation of recent advances in diagnostic methods to clinical microbiology and infectious diseases”, held online 3-4 June 2021, (previously Lund, Sweden).
- Participation in Continuing Professional Development entitled “Practical Strategies to Overcome Poor Vaccine Uptake During the COVID-19 Pandemic” from Medscape Education as an author/speaker (Released on 3 June 2021).
- Participation in a WHO workshop titled “Standardizing Standard Operating Procedures for Pathogen Identification, Antimicrobial Susceptibility Testing and Quality Control". 21st October 2018 - 25th October 2018. Amman, Jordan.
- Participation in a WHO workshop titled “Principles and Methods of Antimicrobial Resistance Surveillance". 2nd October 2018 - 4th October 2018. Amman, Jordan.
- Participation in WHO workshop titled “WHONET - Software for the Surveillance of Antimicrobial Resistance". 30th September 2018 - 2nd October 2018. Amman, Jordan.
- Participation with a poster titled “Phylogenetic reconstruction of hepatitis C virus transmission in Southern Sweden (2007-2015)" in the HIV & Hepatitis Nordic conference (4th edition). 27th-29th September 2017. Stockholm, Sweden.
- Mini-symposium on "Epidemiological and molecular aspects of

M. Sallam

HIV-1, HIV-2 and HCV infections". 12th September 2017. Biomedical Center, Faculty of Medicine, Lund University, Lund, Sweden.

- Symposium on "The Triple Helix in Biobanking: Intertwining Stakeholders". 15th-16th November 2016. Medicon Village. Lund, Sweden.
- Participation with a poster titled "Decreasing prevalence of transmitted drug resistance among ART-naïve, HIV-1-infected patients in Iceland, 1996-2012" in the HIV & Hepatitis Nordic conference (3rd edition). 28th-30th September 2016. Stockholm, Sweden.
- Participation with a poster titled "Reconstruction of the regional transmission of HCV in Southern Sweden by phylodynamics" in the International Vilnius Communicable Diseases Week (Vilnius Summit). 26th-27th June 2016. Lithuanian Academy of Science, Vilnius, Lithuania.
- Participation with an oral presentation titled "Molecular epidemiology of HIV-1 in Iceland" in the HIV & Hepatitis Nordic conference (2nd edition). 30th September-2nd October 2015. Stockholm, Sweden.
- Mini symposium on "HIV and HCV epidemiology in the Baltic region". 19th-20th March 2015. Karolinska Institute, Stockholm, Sweden.
- Workshop on "Introduction to phylogenetic inference". 17th-18th March 2015. Biomedical Center, Faculty of Medicine, Lund University, Lund, Sweden.
- Mini-symposium on "Epidemiological and molecular aspects of HIV-1 and HIV-2 infections". 29th January 2015. Biomedical Center, Faculty of Medicine, Lund University, Lund, Sweden.
- Attendance of the 5th International Conference of the Jordanian Society of Pathology and Laboratory Medicine. Amman, Jordan 2013.
- Workshop on residency training in Jordanian hospitals. King Hussein Medical Center. Amman, Jordan 2012.
- Attendance of the 4th International Congress of Allergy and Immunology. Amman-Jordan. 19th-21st September 2012.
- Participation as a member of the social committee of the 4th International Conference of the Jordanian Society of Pathology and Laboratory Medicine. Amman-Jordan. 14th-16th April 2011.
- Attendance of the 3rd International Conference of the Jordanian Society of Pathology and Laboratory Medicine. Amman-Jordan 2008.

Advanced Courses

- Proteomics data analysis, 5-9 December 2016.
- Biobanking, 14-18 November 2016.
- Protein microarray techniques, 17-21 October 2016.

M. Sallam

- Quantitative PCR, 23-28 November 2015.
- Immunocell flow cytometry, 9-13 November 2015.
- Confocal LASER scanning microscopy, 24-28 November 2014.

UJ Accreditation and Quality Assurance Center Workshops

- Management and Leadership Skills, 18 November 2019.
- Integrated Learning System, 18 September 2019.
- Emotional Intelligence, 30 April 2019.
- Supervision of Postgraduate Students, 27 August 2019.
- Using MCQs to Test Higher Order Thinking Skills, 25 July 2019.

Professional Membership

- Jordan Medical Association (JMA)
- Jordan Medical Council (JMC)
- The Jordanian Society of Pathology and Laboratory Medicine (JSP)
- American Society for Microbiology (ASM)
- European Society of Clinical Microbiology and Infectious Diseases (ESCMID)
- The European Society for Clinical Virology (ESCV)

Awards and Achievements

- Ranked **6th** among the top 10 Jordanian students in General Secondary Education Certificate (Science branch)...2001, with average (**98.6%**).
- Outstanding staff award at Jordan University Hospital...2009
- Listed in the Presidents' list and the School of Graduate Studies Dean's list for outstanding students at the University of Jordan...2012 with average (**4/4**)
- Awarded a scholarship from the University of Jordan to pursue PhD degree in Clinical Virology ...2013
- Listed in the list of the best 2% of the distinguished researchers worldwide based on the total citation, issued by Stanford University...2022
- Ranked **4th** among the top researchers at Medical School, and **14th** at the level of the University of Jordan.

M. Sallam

- Honored by Kuwaiti Society for medical and dental students...2022

Committee Membership

- Member of the Scientific Research Committee at the School of Medicine – the University of Jordan... [May 2022-present]
- Member of Jordan Medical Council (JMC) examination subcommittee for the Clinical/Microbiology and Immunology Specialty... [January 20-present].
- Member of the residency clinical training committee at the School of Medicine, University of Jordan, Amman, Jordan... [September 2018-present].
- Member of Covid-19 Laboratory Policy and Strategies Committee, Ministry of Health, Amman, Jordan... [March 2020-May 2020].
- Member of the comprehensive exam committees for MSc. Program in Medical Laboratory Sciences. Department of Pathology, Microbiology and Forensic Medicine/ School of Medicine, University of Jordan, Amman, Jordan...[July & November 2019, March, July & November 2020].
- Member of the WHO antimicrobial resistance surveillance committee at Jordan University Hospital, Amman, Jordan... [September 2018-May 2019].

University/ Community Services

- Lecture directed to hospital staff and students entitled “An Update on COVID-19 caused by SARS-CoV-2” – Jordan University Hospital – [March 2020].
- Awareness lecture directed to employees at the Department of Clinical Laboratories – entitled “An Update on COVID-19 caused by SARS-CoV-2” – Jordan University Hospital – [March 2020].
- Awareness lecture directed to University students at UJ – entitled “COVID-19” organized by the Science research team for medical field, JU students Union –[March 2020].
- Lecture directed to University students at UJ – entitled “Basics of scientific research, search engines, and how to write the scientific paper” – organized by the Science research team for medical field, JU students Union – [March 2020]
- Live session of Facebook entitled “Dental students' participation

M. Sallam

in scientific research” organized by the Nashama Dentistry group, UJ – [July 2020]

- Live session of Facebook entitled “COVID-19 Testing” organized by the JAIP Academia Industry Platform and the School of Pharmacy, UJ- [November 2020].
