

CURRICULUM VITAE

Dr Ibraheem QUDAISAT, MD

Department of Anesthesia and intensive care
Faculty of Medicine
Jordan University

(Last updated: January - 2016)

CURRICULUM VITAE

Dr Ibraheem Y. QUDAISAT, MD

Name: Ibraheem Yousef F. QUDAISAT

Date of Birth: 23/3/1970

Place of Birth: Irbid – Jordan

Sex: male

Nationality: Jordanian

Marital Status: Married

Contact phone numbers: work: ++962-6-5353666 – ext: 2390 / ٢٣٨٢

Home: ++962-6-5154343

Mobile: 0777-752453

E-mail: qudaisat@ju.edu.jo

Qualifications

High School (tawjeehi) certificate) : 1988 : Al-Zarnooji secondary comprehensive school (ministry of education)
Irbid – Jordan

Total Average 95.2%

Medical Bachelor of Medicine and Surgery (MBBS): 1994 : Jordan University of Science and Technology
Irbid - Jordan

High Specialization Certificate in Anesthesia and Intensive Care: 1999 : Jordan University
Amman – Jordan

Post Specialization Advanced Training in Anesthesia and Intensive Care: 1/2000 – 8/2002: John Hunter Hospital
University of Newcastle
Newcastle – New South Wales –
Australia

Current Position

Associate prof. in anesthesia and intensive care: 16/4//2012 till now

Department of Anesthesia and Intensive care

Faculty of Medicine

Jordan University

Previous positions:

10/2003 - 4/2012 **Assistant professor in anesthesia and Intensive Care:** Faculty of medicine and JUH
Jordan University, Amman
Jordan

8/2002 – 10/2003: **Full-time Lecturer in Anesthesia and intensive care:** Faculty of medicine and JUH
Jordan University, Amman
Jordan

1/2000 – 8/2002: **Overseas Fellow in Anesthesia and intensive care:**
John Hunter Hospital
University of Newcastle
Newcastle, New south Wales
Australia

- Euro-anesthesia 2010, in Helsinki-Finland, June, 2010.
- MedicRes conference on Medical Research, Istanbul, Turkey, March 2011.
- 8th National and 3rd International Congress of the Jordan Society of Anesthesia, Intensive Care and Pain Management June 29 – July, 2, 2011

- Euro-anesthesia 2012, in Paris- France. June 2012
- Dubai Anesthesia conference, Dubai-UAE. March 2013
- Euro-anesthesia 2015, in Berlin- Germany. June 2015

Other Courses:

- 1- International Computer driving License course, Jordan University, Amman, JORDAN 2004
- 2- Statistical analysis using SPSS software course, Jordan University, Amman, JORDAN 2005
- 3- Workshop on teaching Clinical skills, and OSCI station design, Jordan University, Amman, JORDAN 2007
- 4- ETC provider course: Amman, JORDAN: 20-22 /11/2015.

Memberships:

- 1- Jordan Medical Association
- 2- Jordanian Society of Anesthetists
- 3- European Society of Anesthetists: Affiliate member

Research Interests:

- 1- General anesthesia
- 2- Applied physics in anesthesia
- 3- Airway management

Publications:

- 1- **Coanda effect as an explanation for unequal ventilation of the lungs in an intubated patient?**

British Journal of Anaesthesia, June 2008; 100: 859 – 860
First author

- 2- **Effect of adding Dexmedetomidine versus Fentanyl to intrathecal Bupivacaine on spinal Block characteristics in Gynecological Procedures: a double blind controlled Study.**

American Journal of applied sciences: accepted for publication 2008
Co-author

- 3- Use of Dexmedetomidine as the main anaesthetic agent for patients with laryngo-tracheomalacia**
Middle East Journal of Anesthesiology: accepted for publication May,2009
Co-author
- 4- Intraoperative administration of dexmedetomidine reduces the analgesic requirements for children undergoing hypospadias surgery.**
Eur J Anaesthesiol. 2010 Mar;27(3):247-52.
Co-author
- 5- The impact of long-lasting preemptive epidural analgesia before total hip replacement on the hormonal stress response. A prospective, randomized, double-blind study**
Middle east Journal of anesthesiology 2010, 20 (5)
Co-author
- 6- Intravenous Dexmedetomidine or Propofol Adjuvant to Spinal Anesthesia in Total Knee Replacement Surgery**
J Med J 2011; June: Vol. 45(2)
- 7- Short thyromental distance is a surrogate for inadequate head extension, rather than small submandibular space, when indicating possible difficult direct laryngoscopy.**
European Journal of Anesthesia 2011, 28(8)
First author
- 8- Preemptive ilioinguinal-iliohypogastric nerve block versus intravenous morphine for postoperative pain control after unilateral inguinal herniotomy in children: a comparative study.**
Jordan Medical Journal 2011, 45 (3)
Co- author.
- 9- Early vs. late tracheostomy for the ICU patients: Experience in a referral hospital.**
Saudi Journal of Anaesthesia, 2012, 6 (2) 152-154.
Co-author.
- 10- Recovery from serotonin syndrome after the use of propofol**
European Journal of Anaesthesiology: 2012, 29():137 . 9AP2-10
Co-author
- 11- Comparison of three Methods of Preventing Rocuronium induced Pain on Injection using venous occlusion technique: A Randomized Prospective Double Blind controlled Study**
Middle east journal of Anesthesia
Accepted for publication March 2013.
Co-author
- 12- Iatrogenic water intoxication in healthy parturient causing convulsions and fractured mandible.**

Saudi Medical Journal. 2014; Vol. 35 (2)

Co-author

- 13- Pretreatment with remifentanyl, fentanyl, or lidocaine to prevent withdrawal after rocuronium using venous occlusion technique in children and adolescents: a prospective randomized placebo-controlled double-blind study.**

Journal of Anesthesia

Accepted April, 2014

Co-author

- 14- Urethrocutaneous fistula repair after hypospadias surgery: comparison of two methods of repair.**

Minerva Pediatr. 2015 Aug;67(4):307-10.

Co-author

- 15- Comparison of ilioinguinal/iliohypogastric nerve blocks and intravenous morphine for control of post-orchidopexy pain in pediatric ambulatory surgery.**

Middle East J Anaesthesiol. 2014 Feb;22(4):393-8.

- 16- Comparison of caudal bupivacaine alone with bupivacaine plus two doses of dexmedetomidine for postoperative analgesia in pediatric patients undergoing infra-umbilical surgery: a randomized controlled double-blinded study.**

Paediatric Anaesthesia. 2015 Sep;25(9):883-90.
